

2026 Northeast Youth Livestock Show Sponsorship

The Northeast Youth Livestock Show educates our community's youth on how to responsibly raise market-ready animals, while building life and business skills.

We sincerely thank our past sponsors for being an essential part of the show and look forward to continuing these valued partnerships. Your contributions help support youth in our local community, and we truly appreciate it.

All sponsorships are for a one-year term. Sponsorships include recognition in the program, advertisements, announcements during the show, and placement on the show-day sponsor board. All sponsorships \$500 or greater will receive their own banner.

Sponsorship commitments are due by July 31, 2026. Sponsors who respond after the deadline are not guaranteed recognition on printed materials.
